- 5.2 We will not be responsible for any delay that may arise in the processing of your application to purchase due to you submitting an incomplete application or you failing to provide evidence of identity or any requested information to us in accordance with condition 2 (Evidence of Identity & Other Information) or otherwise. In particular, you should note any such delay caused by you may mean that by the time the process referred to in condition 5.1 has been completed, the Product (including the relevant "Issue" thereof) that you applied to purchase may no longer be available. In this event, we will contact you to request your new instructions.
- 5.3 The Registers may be in paper form or electronic form or partly in one form and partly in the other form, in each case, at the absolute discretion of the NTMA.

For the avoidance of doubt, where the Agreement is cancelled it shall be treated as never having had effect, and no interest, bonus or other amount in excess of the purchase amount shall be payable.

- 2.4 For the purposes of calculating Joint Holders maximum holding limit in Prize Bonds newly registered on or after 1 November 2015 the amount held jointly will be deemed to be owned in equal proportion by each Joint Holder and will be divided equally between each of the Joint Holders.

- 2.5 Where you encash Prize Bonds and use the proceeds to purchase new Prize Bonds this new purchase will be subject to the limits.
- 2.6 Where an application to purchase Prize Bonds is received that will result in any individual party to the application breaching the maximum holding limit, the application will not be processed and the full value of the application will be refunded.
- 2.7 For the purpose of calculating any individual's aggregate maximum holding, any Prize Bonds held in accordance with condition 2.3 will be added to any Prize Bonds that individual already purchased on or after 1 November 2015. If this calculation causes an individual to reach or exceed his or her maximum holding limit, no further Prize Bonds will be registered for that individual.
- 2.8 For the purposes of calculating any individual's aggregate maximum holding, any Prize Bonds held by a Registered Charity, unincorporated body or friendly society in which such individual has an involvement will not be taken into account and will only be included in calculating the maximum holding limit for that Registered Charity, unincorporated body or friendly society.

3. Prize Draw

- 3.1 A prize draw shall be held, at a minimum, in respect of each week of a calendar year, at such intervals as may be approved by the NTMA from time to time. The NTMA shall also have the right (in its absolute discretion) to vary the number of prize draws at any time.
- 3.2 Each Prize Bond is entered in every draw and has a chance of winning one prize.
- 3.3 No interest is paid to the holders of Prize Bonds. Instead the value of the prize fund is distributed to the winners of the prize draws.

4. The Prize Structure

- 4.1 The value of the monthly prize fund is recalculated at the start of each calendar month by applying a variable percentage rate (currently 1.50%) to the value of all Prize Bonds outstanding at the end of the previous month.
- 4.2 At any time the NTMA can change the variable percentage rate used to calculate the prize fund, the value of prizes, and the prize structure. Any such changes will be advertised in the mainstream media and on StateSavings.ie.
- 4.3 The current prize structure is as follows –
 - A €500,000 prize is awarded in the last draw of each calendar month.
 - The other prizes in each draw are:
 - €100,000 x 1 prize
 - €1,000 x 50 prizes
 - €100 x All other prizes until the prize fund for that draw has been fully utilised.
- 4.4 All prize winners will be notified either by post to their registered address or by another form of communication (including electronic means).
- 4.5 As noted in condition 1.2 above, all proceeds of Prize Bonds winnings will be issued to Holders via EFT or will be automatically reinvested in further Prize Bonds. All previously unclaimed Prize Bond winnings will be held indefinitely until claimed.

5. Taxation

- 5.1 The winnings on Prize Bonds are not subject to Deposit Interest Retention Tax, and are exempt from Income Tax, Pay Related Social Insurance and the Universal Social Charge. Prize Bonds are exempt from Capital Gains Tax in Ireland.
- 5.2 You may have other tax liabilities depending on your specific circumstances. We would therefore recommend that you consult your Tax Adviser.
